

# wanna muk?

from humble beginnings to worldwide distribution in only 3 years!

muk's universal appeal has spread across the globe.

**UK, USA, Canada, Hong Kong, Japan, New Zealand, Sweden, India, Singapore, Norway, Taiwan & South Africa**

How is it that this independent **100% Australian owned** brand has achieved this in record time?

- 1 - our products are quite simply "exceptional" & are formulated without compromise using the world's finest ingredients
- 2 - our uber cool aluminium packaging is unique & dramatically conveys muk's brand message whilst oozing quality
- 3 - on a business level, we are the **ONLY** professional product to offer up to **200% mark-up**

We are so confident that you will love muk that we would like to invite your salon to trial the entire range, obligation free, for two weeks!
