

**SEBASTIAN PROFESSIONAL**

Sebastian Professional has whipped up the solution to your styling needs. This protein rich, ultra-light styling mousse creates nourished curls and waves leaving no tell tale crunch or hard texture to your hair. If you want air-light hair with bounce that lasts all day then Whipped Crème is your answer.

**RPR**

The superior shampoo and conditioner for all you blondies! RPR Brighten my Blonde does exactly what it says. Its luminising formula removes all yellow tones and leaves your blonde locks brighter than ever. The natural blend of chamomile and soothing refreshing botanical herbs adds texture and returns brilliance to lank and lifeless hair.

**AFFINAGE**

Favoured Affinage range Indigo has gained three new stars. The clay for play, Clayful provides serious hold factor for grunge, matte looks. The smooth, creamy texture is ideal for all day wear. To define luscious locks or create curls to die for, FDC is magic. Finally, meet Firm Hold Spray which has made the move over from another Affinage line and with some revamped packaging is destined to be Indigo's new hero product.

**Editor's Fav**

**AVEDA**

Aveda's Smooth Infusion Glossing Straightener is a dream product. Not only does it cut drying time down dramatically, but it also leaves your hair feeling soft and silky. Best known for keeping hair frizz free up until your next wash, it's no wonder it was named 2010 Best New Product in the AHEA's!

**MUK**

You like it rough? muk has the answer to all your dreams with this flexible non-sticky hold forming cream. With a natural medium-shine finish muk is the perfect tool for creating texture, definition and movement. Its humidity resistant formula never flakes, perfect for when things get a little out of hand!

**SENSCIENCE**

Senscience Liquid Luxury, formulated by Shiseido Laboratories is introducing a new product to its line-up. Moisture Lock Leave in Smoothing Treatment is a lightweight, non-greasy treatment that restores and maintains moisture balance. The treatment contains the patented Vitalock-6; an exclusive and powerful blend of strengthening vital nutrients that restores hair's natural elasticity, resiliency and shine. The ultimate in adding manageability and shine.
